Our lower dining room can accommodate a larger party of up to 12 people semi privately, this is perfect for those who wish to keep their social bubble further apart from other guests. We can also help with socially distanced reunions in the dining room, with space for up to 22 people in the whole area, give us a call to discuss options.

Outside areas

We are very lucky to have beautiful gardens. We have a decked area that is covered with all weather sails, however there is no heating! Just some blankets. We have two tables of up to 4 for eating only, available to book, weather permitting. In our front garden we have 8 tables sprawled across our lawn. We have made the decision not to book these ahead of time as they are exposed to the weather, however give us a call on the day for parties of up to five people to book for eating or drinking.
